**ADDENDUM 1**  
**RFP #21-0016**  
**WASTE TIRE TRANSPORTATION SERVICES**

March 5, 2021

The following is to ensure that vendors have complete information prior to submitting a proposal. Here are some clarifications regarding the proposal for Waste Tire Transportation Services.

Questions and/or statements of clarification are in **bold** font, and answers to specific questions are *italicized*.

1. **Can we bid by the ton with official stamped weigh tickets?**

*Answer: Yes.*

2. **Will the Sedgwick County Yard be open on Saturdays to haul and will a key to the back gate be available, as in the past?**

*Answer: Yes.*

3. **The removal of tires in a month is a tight deadline with many logistics that need to be considered: weather, availability of temporary drivers for hauling (and the available reliable truck driver market is VERY tight right now) and running legal hours for DOT.**

*Answer: This can be extended within reason. Awarded vendor will just need to work directly with Environmental Resources and the yard.*

4. **PLEASE NOTE: THE PROPOSAL SUBMISSION DATE HAS BEEN MOVED OUT A WEEK. SUBMISSIONS MUST ARRIVE BY 1:45 PM CDT, TUESDAY, MARCH 16, 2021**

Firms interested in submitting a proposal must respond with complete information and **deliver on or before 1:45 pm** CDT, Tuesday, March 16, 2021. Late proposals will not be accepted and will not receive consideration for final award.

**“PLEASE ACKNOWLEDGE RECEIPT OF THIS ADDENDUM ON THE PROPOSAL RESPONSE PAGE.”**
