COUNTY PROFILE

History

Originally a camping ground of the Osage and Wichita Indian tribes, Sedgwick County, Kansas, is thought to be a place of discovery for such explorers as Francisco Coronado and Kit Carson. The earliest European settler to the region was M. DuTisnet, a Frenchman operating under the direction of the governor of Louisiana, in 1719. DuTisnet brought with him soldiers, traders, and hunters who soon populated and transformed the region from prairie to a land of opportunity.

Sedgwick County was officially established nearly 150 years later on February 26, 1867, and bears the name of Civil War hero Major General John Sedgwick of the Union Army who was killed during the Battle of Spotsylvania Courthouse in Virginia. After an initial failed attempt at establishing an official county government, the Governor of the State of Kansas appointed three Commissioners to aid in the effort. In April of 1870, the first county officials were elected and the county seat of Wichita was chosen.

Geography

Occupying 1,008 square miles of land in South Central Kansas, Sedgwick County falls within the borders of the Arkansas River

Lowlands. It is noted for its extreme flatness, as its highest point is only 1,540 feet above sea level. The County's lowest point, approximately 1,220 feet above sea level, occurs along the southern border where the Arkansas

River leaves the County.¹ Sedgwick County's largest city is Wichita, which is located along Interstate 35 with service areas to Interstate 135, U.S. 54, and various other highway projects.

In August 2010, the National Center for Aviation Training (NCAT), a 230,000 square foot state-of-the-art training facility, opened. Facing a future shortage of skilled aviation workers, this world-class aviation training facility is a critical step to keep Kansas’ aviation industry globally competitive. Sedgwick County’s ability to train workers locally will enhance the community’s ability to keep aerospace manufacturing jobs in Kansas.

In addition to NCAT, there are more than ten institutions of higher education located in Sedgwick County. Wichita State University, Friends University, Newman University, Wichita State University (WSU) Tech, and the University of Kansas (KU) School Of Medicine - Wichita all have main campuses in the County, while six other colleges and universities have chosen to locate branch campuses within the County. WSU, WSU Tech, and KU are moving forward with plans to create the Wichita Biomedical Campus.

Transportation

Sedgwick County has multiple transportation options available to residents, businesses, and travelers. Interstate 35 - the only Midwest interstate highway that connects

Canada, the United States, and Mexico - runs directly through Sedgwick County, providing an optimum north/south route for residents who are traveling and for businesses in the area that wish to import or export goods. For those wishing to travel or ship goods east or west from Sedgwick County, two primary options exist. Interstate 70 lies 90 miles north of Wichita, while Interstate 40 lies approximately 150 miles to the south. As a result, truck transportation companies are prevalent in Sedgwick County.

Air transportation is another viable option. Although under the jurisdiction of the City of Wichita, Sedgwick County is home to Wichita Dwight D. Eisenhower National Airport, the only commercial airport in south-central Kansas. The facility currently services six major cargo carriers and six major passenger airlines, including Alaska Airlines, Allegiant Air, American Airlines, Delta Air Lines, Southwest Airlines, and United Airlines. These airlines offer non-stop service to 16 different destinations across the United States, including Atlanta, Chicago, Dallas/Fort Worth, Denver, Destin-Fort Walton Beach, Houston, Las Vegas, Los Angeles, Miami, Minneapolis/Saint Paul, Phoenix, Saint Louis, St. Pete-Tampa International Airport, Orlando-Sanford, Seattle, and Washington D.C. Flights to Los Angeles, Miami, Orlando-Sanford, Destin-Fort Walton Beach, and St. Pete-Tampa are seasonal while all other non-stops are available year round.

Due in part to Sedgwick County’s comprehensive network of highways and local roads, the average daily work commute time is less than in many similar counties. In 2023, the average commute time for a Sedgwick County resident was 19.9 minutes, which is less than comparable times in St. Louis County, Missouri (23.3 minutes), Douglas County, Kansas (23.2 minutes), Jackson County, Missouri (23.2 minutes), Oklahoma County, Oklahoma (22.2 minutes), and Johnson County, Kansas (20.7 minutes).

The Sheriff’s Office patrols the unincorporated portions of Sedgwick County and operates the 1,226-bed adult detention facility and the 180-bed jail annex facility, which is one of the largest jail systems in the State of Kansas. Arts, Culture & Entertainment

As an expanding metropolitan area, Wichita and Sedgwick County work to provide quality community entertainment and

recreation. After two years of planning and community input, Sedgwick County broke ground in December 2007 for the INTRUST Bank Arena, a 15,000 seat multi-purpose arena in the heart of downtown Wichita. The Arena was funded through a 30-month, one-cent, County-wide sales tax, which generated receipts of \$206.5 million. The Arena opened in January 2010 and has successfully hosted numerous types of events, including family shows, sporting events, and concerts. One of the goals of building a world-class arena was to assist in the revitalization of downtown Wichita. In 2018, the Arena hosted first and second round games of the National Collegiate Athletic Association (NCAA) basketball tournament. The NCAA returned to the Arena in 2022 to host the Women’s Basketball Championship and in 2025 to host the Men's Basketball Championship.

Not far from the INTRUST Bank Arena, the City of Wichita continues its work to develop the downtown area known as Old Town. This urban entertainment district has more than 100 shops, nightclubs, movie theaters, art galleries, and businesses. With continued growth of entertainment activity in downtown Wichita, Old Town has become a hot spot for dining, shopping, and nightlife as well as a place to live and stay.

Sedgwick County is also a proud sponsor of the Sedgwick County Zoo, the number one outdoor family attraction in the State of Kansas. Founded in 1971, the Zoo is ranked among the best zoos in the world, receiving numerous

national and international awards. Occupying 247 acres, the Zoo is home to such exhibits as the Slawson Family Tiger Trek, the Downing Gorilla Forest, the Koch Orangutan & Chimpanzee Habitat, the Cessna Penguin Cove, the Slawson Family Asian Big Cat Trek, and the Elephants of the Zambezi River Valley. ECONOMIC OUTLOOK

Employment

The United States Department of Labor reported that the average 2024 Labor Force for the Wichita Metropolitan Statistical Area (MSA) was 336,975 residents, an increase of 4.3 percent from 2023. Of those who are eligible for employment, approximately 96.1 percent (323,803) were employed in 2024. Wichita MSA’s unemployment rate as of March 2025 was 4.2 percent, more than the Kansas unemployment rate of 3.9 percent.

Source: U.S. Bureau of Labor Statistics

Sedgwick County’s unemployment rate has varied since 2002, but was consistently around 4.3 percent in 2006, 2007, and 2008. In 2009, the rate increased to 8.8 percent, peaked at 9.0 percent in 2010, and steadily declined for nine years. In 2020, the COVID-19 pandemic resulted in unemployment rates as high as 18.5 percent. Unemployment rates returned to a more consistent level of 2.9 percent in 2023.

Property Values/Tax Payers

Similar to other jurisdictions, Sedgwick County has experienced rapid growth in property valuations. Prior to the national recession, assessed property valuations grew by an average of 5.5 percent annually between 1999 and 2009. Since that time, assessed valuations were below 1.0 percent for three years (2010 to 2012), and fell in value for the 2013 budget by 0.7 percent. Assessed values in 2017, 2018, and 2019 increased by 3.2 percent, 3.9 percent, and 4.5 percent respectively. Assessed valuation for 2023 was 7.3 percent, 9.0 percent in 2024, and 8.1 percent for 2025. Assessed value for 2026 is 8.5 percent.

In Sedgwick County, residential property accounts for the largest percentage (66.8 percent) of the total assessed value of real property. The second largest is commercial property, comprising 30.4 percent of the County’s total assessed value of real property. The large percentage of residential property shows that individuals and families recognize the County as a growing community where they can purchase a home and establish roots, while the large portion of commercial property shows that the County’s business environment is also favorable.

Another economic indicator is the total assessed value of the five largest taxpayers compared to the total assessed valuation of the County. A concentrated property tax base can be detrimental to a community in times of economic downturn, especially if a jurisdiction’s largest taxpayers are in the same industry. Sedgwick County’s largest five taxpayers comprised 5.5 percent of the County’s total assessed value in 2024.
