Call to order by Kirk Stoddard

Approval of minutes from July Meeting. Motion by Seth Harrington, second by Beau Means. Unanimous approval.

Public agenda: None

New business:

Old Business: Questions about possible legislation regarding trade licensing on a statewide basis. Chris Nordick shared information about his knowledge of the origin and current status of legislation. Legal clarification and discussion from Jenna Morgan. The bill is stalled in committee. Further action may be taken in the next legislative session. Discussion of ASSE 22000 IAPMO water conditioning standards and certifications. Ron Lord stated that IAPMO does not have a water conditioning certification test at this time ASSE has a certification examination.

Motion to adjourn by Beau Means, second by Tom Wasinger. Unanimous approval.
